

# Restorative Practices Skills for Positive Classroom and School Norms Summer Courses for Primary and Post-Primary Teachers 2018 Continuing Professional Development EXTRA PERSONAL VACATION (EPV) ACCREDITED

**Restorative Practices (RP)** are both a philosophy and a set of skills that have the core aim of building strong relationships and transforming conflict in a simple and emotionally healthy manner.

## This Course Will:

- Provide participants with knowledge and understanding of the use of RP in schools;
- Skill participants to use RP to support their teaching practice;
- Skill participants to use RP to support their work and life outside the classroom;
- Inspire and enable participants to use restorative skills in their work and life; and
- Explore the potential of a Restorative approach for creating and maintaining a positive relational environment in the classroom and school as a whole.

## What Participants Had to Say in 2017:

- “Highly enjoyable training, delivered in a professional and clean manner with a fantastic injection of humour.”
- “I really enjoyed the training and it will really benefit me in both my personal and professional life.”
- “I found the course to be very insightful and of good quality. The facilitators were very knowledgeable and helpful in the sharing of skills and advice.”
- “I thoroughly enjoyed the training and will be recommending my staff train up as I believe RP is the way forward.”
